Advertise with the MAA

Your gateway to more than 15,000 college mathematics professionals. The MAA is the largest professional society in the world devoted to mathematics at the collegiate level.

MAA FOCUS is the only MAA publication received by all 15,000 members of the Association.

The American Mathematical Monthly is the most widely read journal of collegiate mathematics in the world.

Mathematics Magazine is targeted specifically to teachers of undergraduate students.

The College Mathematics Journal reaches teachers of college mathematics in the first two years.

Math Horizons is the student magazine and provides a highly creative forum that communicates the culture of mathematics.

Multiple Insertion Discounts Available!

MAA offers a variety of marketing opportunities, including advertising in publications and targeted emails, sponsorship of programs, exhibits at meetings and conferences, and targeted mailings using MAA's mailing list. E-advertising options include MAA Math Alert, which is sent monthly to all MAA members, as well as MAA Table of Contents Alerts for each publication's new issue. We look forward to partnering with your organization and developing a custom marketing plan that will fit your needs and budget.

For pricing and availability, please visit http://www.maa.org/pubs/advertising/index.html or contact Tina Marmor at 1-877-MAA-ADS3.
