1014-53-765 **Corey M Dunn*** (`cdunn@darkwing.uoregon.edu`), Mathematics Department, University of Oregon, Eugeneq, OR 97403. *A New Family of Curvature Homogeneous Pseudo-Riemannian Manifolds.* Preliminary report.

We discuss a new family of curvature homogeneous pseudo-Riemannian manifolds. Suitable isometry invariants will be given showing these manifolds are not locally homogeneous in general. (Received September 23, 2005)
