Colin C Adams* (cadams@williams.edu), Bronfman Science Center, Williams College,
Williamstown, MA 01267, and **Mikhail Chkhenkeli**. *Mangum, P.I.*

Dirk Mangum is a P.I., of the mathematical variety. What happens when he comes face-to-face with Walter P. Parsnipki, chair of the Berkeley Math Department and finds himself enmeshed in an attempted solution of the greatest open conjecture in all of Pinched Rumanian Monofield Theory? Find out in this short bit of mathematical theater. (Received September 02, 2006)
