Agnes M. Kalemari* (akalem@optonline.net), Dept of Mathematics, 2350 Broadhollow Road, Farmingdale, NY 11735-1021. *Leading Players and Supporting Cast*. Preliminary report.

How many of the leaders of the New York Metro Section of the MAA have been household names (math households, that is)? Who were part of the rank and file? This "chapter" of our history will highlight some of those who worked so hard to found the section and/or to ensure its continued existence. (Hint: DES and MPD will be included.)
