

1014-97-1387      **Jeremy Kilpatrick\***, 105 Aderhold, University of Georgia, Athens, GA 30606. *Math War Veteran Tells All.*

The so-called wars of the new math era have been forgotten, dismissed as irrelevant, and badly misinterpreted. A veteran of the math wars then and now sees some persistent issues, as well as some persistent misunderstandings, as mathematicians and mathematics educators seek common ground. (Received September 28, 2005)
