

1014-97-290 **Johnny W Lott*** (jlott@mso.umt.edu), Center for Teaching Excellence, The University of Montana, 251 Corbin Hall, Missoula, MT 59812. *Standards and the National Math View.*

The National Council of Teachers of Mathematics and the Association of State Supervisors of Mathematics met in July 2004 and produced a document outlining similarities and differences in state mathematics standards at grade level for K-12. This session will look at algebra and geometry. (Received September 06, 2005)
