**Alfonso Montes-Rodriguez** and **Alejandro Rodriguez-Martinez\*** ([arm@us.es](mailto:arm@us.es)), Dpto. Analisis Matematico, Fa. de Matematicas, Universidad de Sevilla, 41012 Sevilla, Sevilla, Spain, and **Stanislav Shkarin**, Sevilla. *Basic sequencies, non-cyclicity and quasinilpotent supercyclic operators*. Preliminary report.

We show a method to prove non-cyclicity using basic sequences with an application. New examples of quasinilpotent supercyclic operator will be provided. This belongs to a join work with A. Montes-Rodriguez and S. A. Shkarin. (Received September 26, 2006)
