

1086-AH-463      **Frank Morgan\*** ([frank.morgan@williams.edu](mailto:frank.morgan@williams.edu)). *My Huffington Post Blog*. Preliminary report. Since March I've been a Huffington Post blogger. I'll tell you what I write about: the Willmore Conjecture, tilings, Alan Alda, why summer comes so early, "Why a Laptop is Not a Computer." I'll talk about what it takes to write a blog like this, the secrets of pictures and videos, and the crazy feedback from the readers. (Received September 03, 2012)
