

1086-VR-1666      **David Nacin\*** (nacind@wpunj.edu), 300 Pompton Road, Wayne, NJ 07470. *Bit-player*  
*Calculatedoku.*

In the October 2010 entry of the blog *Bit-player*, a four-by-four *Calculatedoku* over a set of complex numbers was posted with mention that the uniqueness of the solution had not yet been checked. We show uniqueness of the solution and classify all *Calculatedoku* with similar conditions having unique solutions. (Received September 24, 2012)
