**Mark Sapir\*** ([m.sapir@vanderbilt.edu](mailto:m.sapir@vanderbilt.edu)), 8025 Claytie Cir, Nashville, TN 37221-4629. *Uniform embedding of groups into Banach spaces.*

I will talk about results concerning embeddings of groups, especially finitely presented groups, in Hilbert and more general Banach spaces. (Received August 31, 2013)
