

1106-S5-1626 **David Scott*** (scott@pugetsound.edu), Math/CS #1043, University of Puget Sound, 1500 N. Warner St., Tacoma, WA 98416. *Good Problems: Planning in Context*. Preliminary report.

The talk will discuss issues in choosing/crafting good problems for a Math Circle or Math Teachers' Circle. What are the important factors to consider, what are sources of good problems, and how can you adjust problems to the participants you have. (Received September 14, 2014)
