

1145-O5-2485      **Sara Jensen\*** (sjensen1@carthage.edu), 2001 Alford Park Dr, Kenosha, WI 53140. *From Candy to Social Justice*. Preliminary report.

This talk will discuss how a battle over the best candy was used to motivate students to learn about voting theory. Many benefits of using candy to teach will be discussed, but one principle mechanism of candy is the safety it provides to what can be a highly politicized environment. We will also discuss the transition that occurred from voting on candy to discussing real life election results and voting practices. (Received September 25, 2018)
