**Tao Chen\***, 3110 Thomson Avenue, Long Island City, NY 11101, and **Glenn Henshaw**,  
**Soloman Kone** and **Choon Shan Lai**. *Contextualize College Algebra with*  
*Economics*. Preliminary report.

As part of SUMMIT-P funded by NSF, in order to help students appreciate the usefulness of mathematics learning and LaGuardia mathematics faculty collaborated with economics faculty to design mathematics projects contextualized with mathematics. Moreover, the team also offer a pair of College Algebra and Economics. (Received August 26, 2019)
