

1154-G1-1721      **Tao Chen\*** (tchen@lagcc.cuny.edu), 3110 Thomson Avenue, Long Island City, NY 11101, **Glenn Henshaw**, 3110 Thomson Avenue, Long Island City, NY 11101, **Soloman Kone**, 3110 Thomson Avenue, Long Island City, NY 11101, and **Choon Shan Lai**, 3110 Thomson Avenue, Long Island City, NY 11101. *Contextualize College Algebra with Economics*. Preliminary report.

College Algebra serves a huge population at LaGuardia Community College. As part of SUMMIT-P project, LaGuardia team consisting of math and economics faculty contextualizes College Algebra with the aim of helping students to realize the usefulness and meaningfulness of mathematics learning and facilitating their economics learning.
