1003-A1-1213 **Russell E. Goodman*** (goodmanr@central.edu), Dr. Russell E. Goodman, Campus Box 043, 812 University Drive, Pella, IA 50219. *Using Letter-Writing to Enhance a Calculus Course*. Preliminary report.

Developing students' abilities to communicate technical information is increasingly becoming a higher priority. A calculus course is an appropriate setting for the beginning of this development. In particular, this presentation relates the details behind a letter-writing assignment that the author has created to address this development. (Received October 04, 2004)
