

Meeting: 1003, Atlanta, Georgia, MAA CP V1, MAA Session on Research on the Teaching and Learning of Undergraduate Mathematics

1003-V1-809 **Troy L. Goodsell*** (goodsellt@byui.edu), 237 Romney Building, Rexburg, ID 83460-0515. *A Case Study in the use of Course Portfolios in the Scholarship of Teaching and Learning.*

In this talk I will give an overview of Course Portfolios and discuss their use in improving teaching and learning. To facilitate this I will show a course portfolio developed over two semesters while teaching a course in Advanced Calculus for Secondary Education Majors. (Received September 29, 2004)
