MATH, ASU, Boone, NC 28608. *Good News, Everyone! David X. Cohen's Mathematical Influence  
on "The Simpsons" and "Futurama"*.

Did you know that "The Simpsons" and "Futurama" contain hundreds of mathematical and scientific references? We'll discuss David X. Cohen's mathematical influence on the shows and related activities designed for classroom use. He has a Bachelor's Degree in physics from Harvard University and a Master's Degree in theoretical computer science from UC Berkeley. A longtime writer for "The Simpsons," he left to develop "Futurama" with Matt Groening, where he was the executive producer and head writer, and he has won Emmy Awards for his work.
