

1014-Z1-1053 **Marc Brodie*** (mbrodie@wju.edu). *The many faces of WJU.*

Each time the Wheeling Jesuit University homepage is accessed, a photograph of someone connected to the college is displayed. How many such photographs are there? In this demo we access the website repeatedly, using our results to reinforce previously learned probability concepts and to get at the idea of a maximum likelihood estimate. (Received September 27, 2005)
