**Sandy Schroeder\*** ([s-schroeder@onu.edu](mailto:s-schroeder@onu.edu)), 525 S. Main St., Mathematics Department, Ada, OH 45810. *An Overview of Ohio Northern University's Mathematical Assessments being used to Satisfy NCATE's New Guidelines*. Preliminary report.

NCATE's new guidelines require 6 to 8 assessments that must provide evidence of meeting NCTM standards. Several documents that are being used to indicate if our teacher candidates have mastered the necessary knowledge in mathematics will be discussed, along with our timeline for data collection and analysis.
