**Robert W. Jernigan\*** ([jernigan@american.edu](mailto:jernigan@american.edu)), 4400 Massachusetts Ave, NW, Department of Mathematics and Statistics, Gray 202, Washington, DC 20016. *Statistics Before Your Eyes: Photographs of Statistical Concepts.*

Observing patterns of use in everyday life allows for the illustration of many statistical concepts. I will present several photographs with analysis demonstrating the statistical concepts of discrete probability distributions, cumulative probability distributions, normal distributions, skewed distributions, bivariate distributions, and regression.
