

1046-Z1-335      **Ellen Mir\*** ([emir@elon.edu](mailto:emir@elon.edu)), CB 2320, Elon, NC 27244. *Incorporating Mathematics into a Study Abroad Experience.*

This talk will describe a 3-week course emphasizing the history of mathematics that took place in London and its surroundings. Topics will include itinerary, course content, and assessment. We will also discuss strategies for addressing such a course to non-majors and how to teach on a crowded street in the rain. (Received August 26, 2008)
