**Michael E McDaniel\*** (mcdanmic@aquinas.edu), 1607 Robinson Road SE, Grand Rapids, MI 49506. *Undergraduate Research as Resource*. Preliminary report.

At Aquinas College, a small 4-year school, we have developed undergraduate research opportunities which have influenced our department's programs. Connecting our students' research with the Math Club, course modifications, assessment, and accreditation has strengthened our department. In this talk, we will examine our model's evolution.
