Compliance with the Law

The exhibitor shall not engage in any display, publication, performance, or other activity that is in conflict with any federal, state, or local law, regulations, rule or ordinance, nor shall the exhibitor, or its representatives or employees, engage in any lewd display, publication, or performance.

Display Space Usage

All demonstrations and distribution of literature and promotional materials must be within the confines of an exhibitor’s contracted booth space. Should storage boxes interfere with the professional appearance of the hall, show management reserves the right to remove the boxes/materials or drape the area at the exhibitor’s expense. Reassignment, subletting, or sharing any part of allotted booth space is prohibited. Solicitations and distribution of printed advertising must be confined to booth space only, unless other arrangements have been made prior to the meeting. Interference with normal traffic flow and infringement on neighboring exhibits will not be permitted. Interactions with participants should occur within the confines of an exhibitor’s contracted booth space.

Exhibitor Activities

Exhibitor agrees not to schedule or conduct any outside activity including, but not limited to, receptions, seminars, and hospitality suites that are in conflict with the official program of the Joint Mathematics Meetings, whether such activities are at or away from a contracted meeting facility. Exhibitors must email the Logistics Coordinator, Eileen Muehlbauer, at epm@ams.org, for written approval as to time, date, and place of any program or event the exhibitor intends to hold in conjunction with its exhibit.

An Exhibitor Service Desk, which will be located on the exhibits floor, will be staffed by Levy Exposition Services throughout move-in, show hours, and move-out periods.

Inability to Perform

In the event of fire, strikes, or other uncontrollable circumstances rendering the exhibit area unfit or unavailable for use, this contract will not be binding and all fees paid by exhibitors will be promptly refunded to exhibitors.

Insurance

Each exhibitor is required to be covered by Public Liability Insurance, naming the American Mathematical Society and the Mathematical Association of America as co-insured in the amount of not less than US \$300,000 for injury to each person, not less than US \$1,000,000 for each accident and not

less than US \$1,000,000 property damage for each accident, to protect against possible claims arising out of the operation of its booth.

Theft and fire insurance floater policies are highly recommended. Small or easily portable articles of value should be properly secured or removed after exhibit hours. JMM insurance policies do not include fire and theft coverage for individual exhibit booths.

Internet Access

To provide an affordable way for all exhibitors to receive FREE Wi-Fi access in the exhibit hall, all exhibiting companies are asked to pay a small one-time service fee of US \$125. This fee is calculated to cover a wireless network just for exhibitors for the duration of the meeting and will have the capacity to provide basic access to the internet. It will be capped at 1.5Mbps up/down per user.

The JMM will monitor the health of this wireless network for exhibitors, but while every practical effort will be made to provide stable reliable network services, there is no explicit service level agreement for any network provided through SmartCity for the JMM, including wireless networks, nor are there any remedies available in the event that network services are lost.

Exhibitors acknowledge the ramifications of using outside switches, routers and other wireless access points (see below) and shall not hold the JMM responsible for any decreased or lost wireless network performance in the exhibit hall due to the use of said devices.

The wireless network provided in the exhibit hall is a best effort network. If any exhibitor is planning to run any demonstrations in their booth that require high availability network access, they are advised to order a wired network connection through the Audiovisual Exhibitor Services Form provided in their service kits or contact a SmartCity representative on-site.

Use of outside switches, routers and wireless access points (including MiFi devices): The network infrastructure is specifically designed for the Colorado Convention Center and installed with specific equipment to handle a high volume of guest activity. The wireless access points are installed and configured to coordinate their activity and cooperate with each other.

The introduction of customer supplied switches, routers and wireless access points (including MiFi devices) into this specifically designed system creates interference and causes performance deterioration and possible failure of both the in house and customer supplied equipment. In order to ensure the success of everyone's event, SmartCity should be notified well in advance of any intended use of outside switches, routers or wireless access points to ensure they will work without causing problems.

Customer supplied switches, routers and wireless access points are the responsibility of the customer to troubleshoot and SmartCity does not maintain spares of consumer grade equipment.

Lighting

Lighting by use of lanterns and candles is prohibited.

Limitation of Liability

Each exhibitor must make provision for the safe guarding of his goods, materials, equipment, and display at all times, and wherever the same may be located within, on, or about the Colorado Convention Center premises. The American Mathematical Society, Mathematical Association of America, Levy Exposition Services, and the Colorado Convention Center will not be responsible for property damage or loss by, or for, any cause, and exhibitor hereby waives any right to claim liability against them for the same.

The exhibitor assumes full responsibility for property damage, personal injury, or death to any party by reason of exhibitor's participation in the exhibits or in meeting activities, and exhibitor agrees to defend, indemnify, and hold the American Mathematical Society, Mathematical Association of America, Levy Exposition Services, and the Colorado Convention Center, its officers, staff, and subcontractors,

harmless from all liability which might occur from any act of God or any cause whatsoever arising out of exhibitor's participation in the JMM Exhibits or in meeting activities. The American Mathematical Society, Mathematical Association of America, Levy Exposition Services, and the Colorado Convention Center, its officers, staff, and subcontractors will not be liable for injuries to any person or for damages to property owned or controlled by exhibitor, which claims for damages or injuries may be incident to, arise from, or be in any way connected with exhibitor's occupation of display space, and the exhibitor agrees to defend, indemnify and hold the American Mathematical Society, Mathematical Association of America, Levy Exposition Services, and the Colorado Convention Center its officers, staff, and subcontractors harmless against all such claims.

The exhibitor expressly understands and agrees that the foregoing limitation of liability clauses apply not only during the exhibit hours, but also at all other hours of the day for the period extending from the commencement of installations until the final removal of all the exhibitor's property and personnel from Exhibit Hall D and to any latent contingent damage, injuries, or liability arising or discovered at a later date as the results of or arising out of exhibitor's participation in the JMM Exhibits.

The American Mathematical Society, Mathematical Association of America, Levy Exposition Services, and the Colorado Convention Center will not be responsible to any degree whatsoever for any ill effects caused by any person or group of persons in attendance prior to, during, and after the close of the JMM Exhibits for any samples taken, or by other means given them by the exhibitor representative.

Meeting Room Space

A limited number of meeting rooms will be available to JMM exhibitors for a rental fee. If you are interested in reserving meeting space, please contact Eileen Muehlbauer at (401) 455-4143 or epm@ams.org.

- A. Exhibitors may use outside contractors, if approved, to perform all work desired at their booth space. The AMS and the MAA assume no liability for any work performed by such contractors, and exhibitors shall look solely to damage resulting from work performed by such contractors.
- B. All outside installation and dismantling contractors or individuals hired directly by exhibitors to erect and dismantle exhibits shall provide the Exhibits Coordinator and the Official Contractor with a valid Certificate of Insurance at least 45 days prior to the opening of the JMM Exhibits so permission may be given for said contractor(s) to operate.
- C. All approved contractors must receive special 'outside' badges from Levy Exposition Services prior to the opening of the JMM Exhibits and must wear them at all times while in the exhibit hall.

Press Releases and Media Coverage

The JMM attracts widespread media attention and has its own press room. The JMM Press Room sends out news releases of highlights and key events of the JMM to key press representatives. All sponsors are invited to submit fact sheets/releases about their missions and news to the Public Awareness Office at pao-office@ams.org. Releases about products and services are not accepted.

Product and Service Eligibility Requirements

- A. All exhibitors must provide accurate information and must not be deceptive or misleading.
- B. Companies are eligible to exhibit if they meet at least one of the following criteria:
 1. Products and services directly related to and useful in the practice of the mathematical sciences,
 2. Products and services indirectly related to the practice of the mathematical sciences that are used by, support, or are otherwise beneficial to mathematicians in their practices; or
 3. Products and services not specified in these rules and regulations that are unrelated to mathematical sciences but have been approved in writing by the AMS Director of Meetings.

Security

Overnight security will be provided inside Exhibit Hall D of the Colorado Convention Center. However, exhibitors are solely responsible for their own exhibit materials and personal property and should insure their exhibit and personal property against any damage or loss.

Smoking

Smoking is not allowed in the Colorado Convention Center at any time.

Sound

No music of any kind will be allowed in exhibits. Announcements may be made by the Exhibits Coordinator only.

Tax Information, Baltimore

Denver, CO tax information will be sent to exhibitors by **September 11, 2019**.

Violation of Contract

- A. The AMS and MAA reserve the right to inspect all products to be exhibited to ensure compliance with the Rules and Regulations set forth in this document.
- B. Any exhibitor shall be subject to eviction, without refund, if this contract is violated.

JMM Policy on a Welcoming Environment

The AMS and MAA strive to ensure that participants in the JMM enjoy a welcoming environment. In all its activities, the AMS and MAA seek to foster an atmosphere that encourages the free expression and exchange of ideas. The AMS and MAA support equality of opportunity and treatment for all participants, regardless of gender, gender identity or expression, race, color, national or ethnic origin, religion or religious belief, age, marital status, sexual orientation, disabilities, veteran status, or immigration status.

Harassment is a form of misconduct that undermines the integrity of the AMS and MAA, and their activities and missions.

The AMS and MAA will make every effort to maintain an environment that is free of harassment, even though it does not control the behavior of third parties. A commitment to a welcoming environment is expected of all participants of JMM activities, including mathematicians, students, guests, staff, contractors and exhibitors, and participants in scientific sessions and social events. To this end, the AMS and MAA will include a statement concerning its expectations towards maintaining a welcoming environment in registration materials for the JMM, and has put in place a mechanism for reporting violations. Violations may be reported confidentially and anonymously to 855-282-5703 or at www.mathsociety.ethicspoint.com. The reporting mechanism ensures the respect of privacy while alerting the AMS and MAA to the situation. Violations may also be brought to the attention of the AMS Director of Meetings & Conferences (who is usually at the meeting registration desk), and that person can provide advice about how to proceed.
